Commissioner for Patents

The reply filed on 7/20/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the response indicates that claims 28-42, 46, 48-56 and 66 read on the elected species; however, claim 40 is drawn to numerous species distinct from the elected "aromatic hydrocarbon". Applicant is required to elect a single species for R2 as indicated on pages 6-7 of the prior Office action. If applicant would like claim 40 examined, applicant should elect one of the compounds contained within the 48 pages of Table 2 as the elected species for R2. Applicant should review all claims and provide a listing of the claims readable on the elected species. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
